 6. **Extra expenses for meals, hotel, phone calls and taxi** – If a medical emergency prevents you or your travel companion from returning home as originally planned, or if your emergency medical treatment or that of your travel companion requires your transfer to a location that is different from your original destination, we will reimburse up to \$175 per day to you to a maximum of \$1,750 for your extra meals, hotel, essential phone calls, internet usage fees and taxi fares (or car rental in lieu of taxi fares). We will only pay for these expenses if you have actually paid for them.
 7. **Expenses to bring someone to your bedside** – If you are travelling alone and are admitted to a hospital for 3 days or more because of a medical emergency when approved in advance by the Assistance Centre, we will pay the round-trip economy class fare via the most cost-effective itinerary for someone to be with you. We will also pay up to \$500 for that person's hotel and meals and cover him/her under Emergency Medical Insurance, under the same terms and limitations of this policy, until you are medically fit to return home. For a child insured under this policy, this benefit is available immediately upon his/her hospital admission.

The children or grandchildren must have been under your care during your trip and be covered under this policy.
 10. **Expenses for childcare** – If you are admitted to hospital, we will cover the expenses for an attendant to provide childcare services when such service is required. The attendant must be a person other than the child's parent, member of the immediate family, your travel companion, or the person whose guest you are during the trip. We will reimburse you up to \$100 per day to a maximum of \$300 per trip. The child(ren)/grandchild(ren) must have been under your care during your trip.
 11. **Expenses to return your vehicle home** – If, because of a medical emergency, hospitalization, death or repatriation, you are unable to drive home the vehicle you used during your trip, when approved in advance by the Assistance Centre, we will cover up to the reasonable cost charged by a commercial agency to bring your vehicle home. If you rented a vehicle during your trip, we will cover its return to the rental agency.
 12. **Return to Destination** – When approved in advance by the Assistance Centre and provided your attending physician determines no further treatment is required, you will be reimbursed the extra cost of one-way economy transportation to return to your trip destination after you are returned to your home for emergency treatment under Benefit #5 (Expenses to bring you home). Notwithstanding any provision to the contrary within this policy or any endorsement thereto, this policy does not cover any liability, loss, cost or expense of whatsoever nature which is directly or indirectly caused by, resulting from, arising out of or in connection with any *act of terrorism* perpetrated by biological, chemical, nuclear or radioactive means, regardless of any other cause contributing concurrently or in any other sequence to the liability, loss, cost or expense.

WHAT ELSE DO YOU NEED TO KNOW?

General Conditions

This insurance is void in the case of fraud or attempted fraud, or if *you* conceal or misrepresent any material fact or circumstance concerning this insurance, either at the time of application for this policy (including any request for extension of benefits), at the time of claim or at any other moment during *your* coverage period.

We will not pay a claim if *you*, any person insured under this policy or anyone acting on *your* behalf attempt to deceive *us* or makes a fraudulent, false or exaggerated statement or claim.

When completing the application, *your* answers must be complete and accurate. In the event of a claim, *we* will review *your* medical history. If any of *your* answers are found to be incomplete or inaccurate:

- *your* coverage will be void,
- which means *your* claim will not be paid.

You must be accurate and complete in *your* dealings with *us* at all times.

This policy is non-participating. *You* are not entitled to share in *our* divisible surplus.

The right of any person to designate persons to whom or for whose benefit insurance money is payable is restricted.

This policy shall be governed by and construed in accordance with the laws of the province or territory of residence of the insured.

Despite any other provision contained in the contract, the contract is subject to the applicable statutory conditions in the Insurance Act, as applicable in *your* province of residence, respecting contracts of accident and sickness insurance.

Limitation of Liability

Our liability under this policy is limited solely to the payment of eligible benefits, up to the maximum amount purchased, for any loss or expense. Neither *we*, upon making payment under this policy, nor *our* agents or administrators assume any responsibility for the availability, quality, results or outcome of any *treatment* or service, or *your* failure to obtain any *treatment* or service covered under the terms of this policy. The participation of the insurers is several and not joint and none of them will under any circumstances participate in the interest and liabilities of any of the others.

Premium

The required premium is due and payable at the time of purchase and will be determined according to the schedule of premium rates then in effect. Premium rates and policy terms and conditions are subject to change without prior notice.

Upon payment of premium, this document becomes a binding contract provided it is accompanied by a *confirmation* upon which a contract number appears and *we* have received *your* completed application prior to *your departure date*. If the premium is insufficient for the period of coverage selected, *we* will:

1. charge and collect any underpayment; or
2. shorten the policy period by written endorsement if an underpayment in premium cannot be collected.

Coverage will be null and void if the premium is not received, if a cheque is not honoured for any reason, if credit card charges are invalid or if no proof of *your* payment exists.

ACT OF TERRORISM COVERAGE

Where an *act of terrorism* directly or indirectly causes *you* a loss for which benefits would otherwise be payable in accordance with the terms and conditions of this policy, this insurance will provide coverage as follows:

- *We* will provide benefits to *you* for *your* eligible expenses, subject to the maximums shown in the benefits section and this provision; and
- The benefits payable, as described directly above, are in excess to all other potential sources of recovery, including alternative or replacement travel options offered by airlines, tour operators, cruise lines and other *travel suppliers* and other insurance coverage (even where such other coverage is described as excess) and will only become available after *you* have exhausted all such other sources.

Any benefits payable shall be subject to an overall maximum aggregate payable limit relating to all in-force travel policies issued by *us*, including this policy. If total claims otherwise payable for a type of coverage under all travel policies issued by *us*, resulting from one or more *acts of terrorism* occurring within an applicable time period, exceed this maximum aggregate payable limit, then the amount paid on each claim shall be reduced on a pro rata basis so that the total amount paid in respect of all such claims shall be the maximum aggregate payable limit.

Coverage is only available for up to two (2) *acts of terrorism* within a calendar year and the maximum aggregate payable limit for each *act of terrorism* is:

Type of Insurance Coverage	Maximum Aggregate for Each Act of Terrorism (CDN\$)
Emergency Medical	\$35,000,000
Trip Cancellation & Trip Interruption	\$2,500,000

Subrogation

How does this insurance work with other coverages that you may have?

This is second payor coverage. You may have other in-force plans or contracts such as, but not limited to, third party liability, auto insurance, group or individual health insurance providing hospital, medical or therapeutic coverage. In this case, the amounts payable under this insurance are limited to that portion of your eligible expenses that are in excess of the amounts provided by those other in-force plans or contracts.

Total benefits paid to you by all insurers cannot exceed your actual expenses. We will coordinate the payment of benefits with all insurers who provide you with benefits similar to those provided under this insurance, (except if your current or former employer provides you with an extended health insurance plan with a lifetime maximum coverage of \$50,000 or less, we will not coordinate payment with that coverage. If your lifetime maximum is more than \$50,000, we will coordinate payment) to a maximum of the largest amount specified by any such insurer.

In addition, we have full rights of subrogation. In the event of a payment of a claim under this policy, we will have the right to proceed, in your name, but at our expense, against third parties who may be responsible for giving rise to a claim under this policy. You will execute and deliver such documents as are necessary and cooperate fully with us to allow us to fully assert our rights. You must do nothing to prejudice such rights.

If you are insured under more than one insurance policy underwritten by us, the total amount we pay to you cannot exceed your actual expenses; and the maximum you are entitled to is the largest amount specified for the benefit in any one policy.

IN THE EVENT OF A CLAIM

In the Event of an Emergency

In the event of an emergency, call the Assistance Centre immediately, prior to receiving treatment:

1 800 211-9093 toll-free from the USA and Canada or **+1 (519) 251-7821** collect where available. The Assistance Centre is ready to assist you 24 hours a day, every day of the year.

Please note that if you do not contact the Assistance Centre in an emergency, you will have to pay 25% of the eligible medical expenses we would normally pay under this policy (25% co-insurance).

If it is medically impossible for you to call when the emergency happens, the 25% co-insurance will not apply. In this case, we ask that you call as soon as you can or that someone call on your behalf. Do not assume that someone will contact the Assistance Centre for you. It is your responsibility to verify that the Assistance Centre has been contacted.

If at time of claim, it is discovered that you no longer have coverage under a government health insurance plan, the maximum amount payable for all eligible expenses combined will be limited to \$25,000.

If you choose to pay eligible expenses directly to a health service provider without prior approval by the Assistance Centre, these services will be reimbursed to you on the basis of the reasonable and customary charges that we would have paid directly to such provider. Medical charges that you pay may be higher than this amount; therefore, you will be responsible for any difference between the amount you paid and the reasonable and customary charges reimbursed by us. Some benefits are not covered if they have not been authorized and arranged by the Assistance Centre.

- a) a medical certificate completed by the attending physician and stating why travel was not possible as booked, if the claim is for medical reasons; or

We will also need, as applicable:

- a) complete original unused transportation tickets and vouchers;

If you are making an Emergency Medical Insurance claim, we will need:

- a) original itemized receipts for all bills and invoices;
- b) proof of payment by you and by any other benefit plan;
- c) medical records including complete diagnosis by the attending physician or documentation by the hospital, which must support that the treatment was appropriate and consistent with the diagnosis and could not be omitted without adversely affecting your condition and quality of medical care and cannot be delayed until your return home;
- d) proof of the accident if you are submitting a claim for dental expenses resulting from an accident;
- e) proof of travel (including departure date and return date); and
- f) your historical medical records (if we determine applicable).

Who will we pay your benefits to if you have a claim?

Except in the case of your death, we will pay the reasonable and customary expenses under this insurance to you or the provider of the service. Any sum payable for loss of life will be payable to your estate. You must repay us any amount paid or authorized by us on your behalf if we determine that the amount is not payable under your policy. All amounts shown throughout this contract are in Canadian dollars. If currency conversion is necessary, we will use our exchange rate on the date you received the service outlined in your claim. We will not pay for any interest under this insurance.

Is there anything else you should know if you have a claim?

If you disagree with our claim decision, the matter may be submitted for judicial resolution under the applicable law(s) of the Canadian province or territory where you reside at the time of application for this policy.

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act, or in the Limitations Act, 2002 in Ontario, or other applicable legislation.

For the purposes of determining the validity of a claim under this policy, we may obtain and review the medical records of the attending physician(s), including the records of the regular physician(s) at home. These records may be used to determine the validity of a claim whether or not the contents of the medical records were made known to you before you incurred a claim under this policy. In addition, we have the right, and you shall afford us the opportunity, to have you medically examined when and as often as may reasonably be required while benefits are being claimed under this policy. If you die, we have the right to request an autopsy, if not prohibited by law.
