Zurich Universal Life, Agility Universal Life, Triumph Universal Life, and Estate Partner Linked Funds - (As at 3 March 2010)

The investment performance of the 12 Linked Funds is tied to the performance of a specific benchmark "Performance Indicator" for each fund. The following numbers reflect **actual returns**, and are net of Zurich's management fees.

Any Zurich, Agility, Triumph and Estate Partner investment whose return is linked to a Performance Indicator, is made at the risk of the policy owner, and may increase or decrease in value according to fluctuations in the market value of the assets of the Performance Indicator. Linked Fund returns are not guaranteed.
