**SCRIPT:**

Hi, my name is Wayne, and I'm on the Group Benefits Marketing and Communications team here at Manulife.

Today, I'll show you how you can quickly and easily add your Benefits card to your mobile wallet.

This feature is available on Apple Wallet and Android Wallet Pass compatible applications.

To download your Manulife Group Benefits card to your mobile wallet, all you have to do is have Manulife Mobile application installed on your phone.

Sign in to Manulife Mobile.

Click on the "Benefits Card" tab.

**ONSCREEN TEXT:** Add to Apple Wallet

**SCRIPT:** Select the "Wallet" icon on iOS

**ONSCREEN TEXT:** Add to WalletPasses

**SCRIPT:** or on Android.

Open the application to confirm that the Benefits card has been added.

Once the Benefits card has been added to the wallet, you'll see the icon on the Manulife Mobile Group Benefits sign in page.

When clicking on this icon from the Group Benefits sign in page, you will be taken to the phone's Wallet application.

This is one of the many different ways you can access your Benefits card when you're on the move.

Health benefits for the way you live your life.
