**SCRIPT:**

Hi there, my name is Ryan, and I work at Manulife.

I've got some great news to share with you.

Now, plan members using iOS and Android devices can access their Group Benefits and Retirement accounts using Manulife mobile without having to enter their sign in credentials.

By simply using their fingertips to identify themselves as plan members, they can start managing their accounts.

Offering fingerprint ID in Android is another big step towards our mission to offer our plan members the best digital experience in the industry.

Stay tuned to discover more enhancements at your fingertips!
