WHAT ELSE DO YOU NEED TO KNOW?

General Conditions

This insurance is void in the case of fraud or attempted fraud, or if *you* conceal or misrepresent any material fact or circumstance concerning this insurance, either at time of application for this policy (including any request for extension or top-up of coverage for benefits), at the time of claim or at any other moment during *your* coverage period.

We will not pay a claim if *you*, any person insured under this policy or anyone acting on *your* behalf attempt to deceive *us* or makes a fraudulent, false or exaggerated statement or claim. When completing the application, *your* answers must be complete and accurate. In the event of a claim, we will review *your* medical history. If any of *your* answers are found to be incomplete or inaccurate:

- *your* coverage will be void,
- which means *your* claim will not be paid.

You must be accurate and complete in *your* dealings with *us* at all times.

This policy is non-participating. *You* are not entitled to share in *our* divisible surplus.

The right of any person to designate persons to whom or for whose benefit insurance money is payable is restricted.

This policy shall be governed by and construed in accordance with the laws of *your* province or territory of residence.

Despite any other provision contained in the contract, the contract is subject to the applicable statutory conditions in the Insurance Act, as applicable in *your* province or territory of residence, respecting contracts of accident and sickness insurance.

Limitation of Liability

Our liability under this policy is limited solely to the payment of eligible benefits, up to the maximum amount purchased, for any loss or expense. Neither *we*, upon making payment under this policy, nor *our* agents or administrators, nor AIR MILES or its affiliates assume any responsibility for the availability, quality, results or outcome of any *treatment* or service, or *your* failure to obtain any *treatment* or service covered under the terms of this policy. The participation of the insurers is several and not joint and none of them will under any circumstances participate in the interest and liabilities of any of the others.

Premium

The required premium is due and payable at the time of purchase and will be determined according to the schedule of premium rates then in effect. Premium rates and policy terms and conditions are subject to change without prior notice.

Upon payment of premium, this document becomes a binding contract provided it is accompanied by a *confirmation* upon which a contract number appears and *we* have received *your* completed application prior to *your departure date*. If the premium is insufficient for the period of coverage selected, *we* will:

1. charge and collect any underpayment; or
2. shorten the policy period by written endorsement if an underpayment in premium cannot be collected.

Coverage will be null and void if the premium is not received, if a cheque is not honoured for any reason, if credit card charges are invalid or if no proof of *your* payment exists.

Subrogation

How does this insurance work with other coverages that you may have?

This is second payor coverage. *You* may have other in-force plans or contracts such as, but not limited to, third party liability, auto insurance, group or individual health insurance providing *hospital*, medical or therapeutic coverage. In this case, the amounts payable under this insurance are limited to that portion of *your* eligible expenses that are in excess of the amounts provided by those other in-force plans or contracts.

Total benefits paid to *you* by all insurers cannot exceed *your* actual expenses. *We* will coordinate the payment of benefits with all insurers who provide *you* with benefits similar to those provided under this insurance, (except if *your* current or former employer provides *you* with an extended health insurance plan with a lifetime maximum coverage of \$50,000 or less) to a maximum of the largest amount specified by any such insurer.

In addition, *we* have full rights of subrogation. In the event of a payment of a claim under this policy, *we* will have the right to proceed, in *your* name, but at *our* expense, against third parties who may be responsible for giving rise to a claim under this policy. *You* will execute and deliver such documents as are necessary and cooperate fully with *us* to allow *us* to fully assert *our* rights. *You* must do nothing to prejudice such rights.

If *you* are insured under more than one insurance policy underwritten by *us*, the total amount *we* pay to *you* cannot exceed *your* actual expenses; and the maximum *you* are entitled to is the largest amount specified for the benefit in any one policy.

Who will we pay your benefits to if you have a claim?

Except in the case of *your* death, *we* will pay the covered expenses under this insurance to *you* or the provider of the service. Any sum payable for loss of life will be payable to *your* estate. *You* must repay *us* any amount paid or authorized by *us* on *your* behalf if *we* determine that the amount is not payable under *your* policy. All amounts shown throughout this contract are in Canadian dollars. If currency conversion is necessary, *we* will use *our* exchange rate on the date *you* received the service outlined in *your* claim. *We* will not pay for any interest under this insurance.

Is there anything else you should know if you have a claim?

If *you* disagree with *our* claim decision, the matter may be submitted for judicial resolution under the applicable law(s) of the Canadian province or territory where *you* reside at the time of application for this policy.

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act*, or in the *Limitations Act, 2002* in Ontario, or other applicable legislation.

For the purposes of determining the validity of a claim under this policy, *we* may obtain and review the medical records of the attending *physician(s)*, including the records of the regular *physician(s)* at *home*. These records may be used to determine the validity of a claim whether or not the contents of the medical records were made known to *you* before *you* incurred a claim under this policy. In addition, *we* have the right, and *you* shall afford *us* the opportunity, to have *you* medically examined when and as often as may reasonably be required while benefits are being claimed under this policy. If *you* die, *we* have the right to request an autopsy, if not prohibited by law.
