1. WHO CAN BUY THIS INSURANCE

Eligibility requirements for purchasing this insurance

You can purchase the insurance if you meet all the following eligibility requirements:

- You live in Canada.
- You are between 18 and 64 years old.
- You have a Manulife One line of credit in your name

IF YOU ARE AN EMPLOYEE

If you are an employee:

- You are eligible for all coverages (Death, Job Loss, and Disability)

IF YOU ARE SELF-EMPLOYED

You are a self-employed worker if you are not subordinate to anyone in your work and your work can generate profits or losses, and operating expenses. In this case:

- You are eligible for Death and Disability coverage
- You are **not** eligible for Job Loss coverage

You may choose to purchase Death coverage only. If you would like to purchase Disability coverage, please note that Disability and Job Loss coverage is sold together, even if you are eligible for only one of these two protections.

IF YOU DO NOT HAVE A JOB

- You are eligible for Death coverage
- You are **not** eligible for Job Loss and Disability coverage

You may choose to purchase Death coverage only.

2. WHO IS INSURED AND HOW WE CALCULATE YOUR INSURANCE COST

You

You are insured if:

- You meet all the eligibility requirements.
- We approve your application for insurance. Before we agree to insure you, we must assess your health.
- You pay your premiums.
- Your Certificate of Insurance shows that you are an insured person.

Another person: If you hold a joint account with another person, this person can also be insured.

Your insurance costs are based on the following criteria:

We calculate the premiums that you must pay based on your age and the balance of your Manulife One line of credit.

If you have joint coverage (2 insured persons), we calculate the premiums you pay based on the age of the oldest insured person and the balance of the account. We then multiply the premium:

- by 1.5, for the Death benefit
- by 1.9, for the Job Loss or Disability benefit

You may choose to purchase the Death benefit only. However, the Disability and Job Loss benefit is sold together, even if you are eligible for one of these two benefits only.

3. MAXIMUM COVERAGE AMOUNT: \$500,000

We pay the balance of your line of credit to Manulife Bank, up to a maximum of \$500,000.

4. SUMMARY OF COVERAGES

DEATH (LIFE INSURANCE)

If you die while your coverage is in effect, we pay the balance of your line of credit to Manulife Bank up to \$500,000. For full details, see “Benefits” in the [sample certificate](#).

We pay Manulife Bank the lowest of the following 3 amounts:

- the Balance of your Manulife One line of credit, or
- the maximum life insurance amount shown on your Certificate of Insurance, or
- the average balance of your Manulife One line of credit in the last 12 months.

We also pay:

- the interest on your Manulife One line of credit since the date of death
- the fees for mortgage discharge, up to an amount that does not more than 5% of the total compensation

We pay this benefit only once, even if there is more than one insured person. The insurance ends after this payment.

Exclusions for Death Coverage

We do not provide coverage for scenarios related to the items outlined below. For a full list of exclusions, see “Exclusions and Limitations” in the [sample Certificate](#) of Insurance.

- If your death is related to a medical condition that existed in the 6 months before the start of your insurance. You have a medical condition if you consulted a physician, received treatment, or received medical advice for any symptoms, sickness, or disease.
- If you die by suicide within 2 years of the start of this insurance.
- Death related to certain behaviours, such as impaired driving or committing a crime
- If your death is caused by acts of war or terrorism

TOTAL DISABILITY

If you become disabled and unable to work while your coverage is in effect, we help you pay part of your Manulife One line of credit each month. For full details, see “MANULIFE ONE - DISABILITY AND JOB LOSS INSURANCE RIDER” in the [sample certificate](#).

Eligibility requirements for Total Disability

- You were working at least 25 hours per week when you became totally disabled, as an employee or self-employed.
- You are totally disabled. This means that you are unable to perform your regular job-related duties, job, or professional activity because of illness or an accidental injury
- You have no other job or paid activity.
- You are followed by a physician, and you are following the treatment prescribed by this physician.

30-DAY WAITING PERIOD BEFORE THE FIRST PAYMENT

You must be totally disabled for more than 30 days to be eligible for this coverage. We do not make any payments during this waiting period, and you must keep making your minimum payments to your Manulife One account.

Maximum disability payment duration: 24 months

We pay the amounts covered by Disability protection for a maximum of 24 months, for each period of total disability.

We may also stop the payments if:

- You are no longer totally disabled.
- You do not prove to Manulife that you are still totally disabled in a way that is satisfactory to us.

Maximum disability payment amount: \$3,500 each month

If you are totally disabled, we pay to Manulife Bank each month:

- the interest owed on your Manulife One line of credit
- the minimum amount payable on your line of credit each month

To determine this amount, we rely on the account statement prepared just before the start of your total disability.

We do not pay more than the maximum of \$3,500 each month.

Exclusions for Total Disability

We do not provide coverage for scenarios related to the items outlined below. For a full list of exclusions, see “Exclusions and Limitations” in the [sample Certificate](#) of Insurance.

Maximum payment duration: 6 months

We pay the amount covered by the Job Loss benefit for a maximum of 6 months.

We may also stop making payments in certain situations:

- If you find another job.
- If you do not prove to Manulife that you are still unemployed in a way that is satisfactory to us.

Maximum disability payment amount: \$3,500 each month

If you lose your job involuntarily, we pay to Manulife Bank each month:

- the interest owed on your Manulife One line of credit
- the minimum amount payable on your line of credit each month

To determine this amount, we rely on the account statement prepared just before the date you lost your job.

We do not pay more than the maximum of \$3,500 each month.

Exclusions for Job Loss

We do not cover scenarios related to the items outlined below. For a full list of exclusions, see “Exclusions and Limitations” in the [sample Certificate](#) of Insurance.

- You lost your job with cause or voluntarily or as expected.
- Job loss caused by war, terrorism, or natural disasters.
- You knew you were at risk of becoming unemployed within 90 days before buying the insurance.
- You are laid off within 90 days of starting your job.

When the insurance ends

- On your 70th birthday for the Death benefit
- On your 65th birthday for the Disability and Job Loss
- As soon as you no longer hold a Manulife One account, or your Manulife One account is no longer a line of credit

If two people are covered by this insurance, it is possible that the insurance may be maintained for the younger person or the person who continues to hold the account.

However, the insurance ends for all insured people in the event of death.

6. YOUR RIGHT TO TERMINATE THE INSURANCE

Within 60 days after purchasing your insurance: full refund of premiums

No refund in other cases

You may terminate your certificate at any time, but you are not entitled to a refund in other cases.
