Default Protection Coverage

We will provide *Default Protection Coverage* subject to the benefit limits and exclusions listed below.

If you:

- a) have directly contracted with a *travel supplier* who *defaults*; and
- b) as a result of the *default*, do not receive part or all of the *travel services* for which you have contracted; and
- c) cannot recover all of the cost of such undelivered *travel services* either from the *travel supplier*, any federal, provincial or other compensation fund, or from any other source that is legally responsible or under contract to reimburse you for the cost of such undelivered *travel services*,

then, we will reimburse you as follows:

- i) for *default* prior to your *departure date*: the non-refundable portion of the amount that you prepaid for such undelivered *travel services* up to the covered amount for the *Trip Cancellation* coverage that you purchased in connection with your *trip*; or
- ii) for *default* after your *departure date*: the non-refundable portion of the amount that you prepaid for such undelivered *travel services* except prepaid unused transportation *home* and subject to the following benefit limits:

Any benefits payable shall also be subject to an overall maximum aggregate payable limit specified below relating to all in-force travel policies issued by us, including this policy.

If total claims otherwise payable for this type of coverage under all travel policies issued by us, resulting from the *default* of one or more *travel suppliers* occurring within an applicable time period, exceed the maximum aggregate payable limit, then the amount paid on each claim shall be reduced on a pro rata basis so that the total amount paid in respect of all such claims shall be the maximum aggregate payable limit. The maximum aggregate limits are:

- a) **\$1,000,000 CDN** with respect to the *default* of any one (1) *travel supplier*; and
- b) **\$5,000,000 CDN** with respect to all *defaults* of all *travel suppliers* occurring in the same calendar year.

If, in our judgment, the total of all payable claims on account of the *default* of one or more *travel suppliers* exceeds the applicable limits, your pro-rated claim may be paid after the end of the calendar year in which you qualify for benefits.

ACT OF TERRORISM COVERAGE

Where an *act of terrorism* directly or indirectly causes *you* a loss for which benefits would otherwise be payable in accordance with the terms and conditions of this policy, this insurance will provide coverage as follows:

- For *Emergency Medical Insurance* and *Trip Cancellation & Interruption Insurance* coverage, we will provide benefits to *you* for *your* covered expenses, subject to the maximums shown in the benefits section and this provision; and
- The benefits payable, as described directly above, are in excess of all other potential sources of recovery, including alternative or replacement travel options offered by airlines, tour operators, cruise lines and other *travel suppliers* and other insurance coverage (even where such other coverage is described as excess) and will only become available after *you* have exhausted all such other sources.

Any benefits payable pursuant to *our Emergency Medical Insurance* and *Trip Cancellation & Interruption Insurance* shall be subject to an overall maximum aggregate payable limit relating to all in force travel policies issued by *us*, including this policy. If total claims otherwise payable for a type of coverage under all travel policies issued by *us*, resulting from one or more *acts of terrorism* occurring within an applicable time period, exceed this maximum aggregate payable limit, then the amount paid on each claim shall be reduced on a pro rata basis so that the total amount paid in respect of all such claims shall be the maximum aggregate payable limit.

WHAT ELSE DO YOU NEED TO KNOW?

General Conditions

This insurance is void in the case of fraud or attempted fraud, or if you conceal or misrepresent any material fact or circumstance concerning this insurance, either at time of application for this policy (including any request for extension or top-up of coverage for benefits), at the time of claim or at any other moment during your coverage period.

We will not pay a claim if *you*, any person insured under this policy or anyone acting on *your* behalf attempt to deceive *us* or makes a fraudulent, false or exaggerated statement or claim. When completing the application (including the *questionnaire* if required), *your* answers must be complete and accurate. In the event of a claim, *we* will review *your* medical history. If any of *your* answers are found to be incomplete or inaccurate:

- *your* coverage will be void,
- which means *your* claim will not be paid.

You must be accurate and complete in *your* dealings with *us* at all times.

This policy is non-participating. *You* are not entitled to share in *our* divisible surplus.

The right of any person to designate persons to whom or for whose benefit insurance money is payable is restricted.

This policy shall be governed by and construed in accordance with the laws of *your* province or territory of residence.

Despite any other provision contained in the contract, the contract is subject to the applicable statutory conditions in the Insurance Act, as applicable in your province or territory of residence, respecting contracts of accident and sickness insurance.

Limitation of Liability

Our liability under this policy is limited solely to the payment of eligible benefits, up to the maximum amount purchased, for any loss or expense. Neither *we*, upon making payment under this policy, nor *our* agents or administrators, nor AIR MILES or its affiliates assume any responsibility for the availability, quality, results or outcome of any *treatment* or service, or *your* failure to obtain any *treatment* or service covered under the terms of this policy. The participation of the insurers is several and not joint and none of them will under any circumstances participate in the interest and liabilities of any of the others.

Premium

The required premium is due and payable at the time of purchase and will be determined according to the schedule of premium rates then in effect. Premium rates and policy terms and conditions are subject to change without prior notice.

Upon payment of premium, this document becomes a binding contract provided it is accompanied by a *confirmation* upon which a contract number appears and *we* have received *your* completed application (including the *questionnaire*, if applicable) prior to *your departure date*.

If the premium is insufficient for the period of coverage selected, we will:

1. charge and collect any underpayment; or
2. shorten the policy period by written endorsement if an underpayment in premium cannot be collected.

Coverage will be null and void if the premium is not received, if a cheque is not honoured for any reason, if credit card charges are invalid or if no proof of *your* payment exists.

Subrogation

How does this insurance work with other coverages that you may have?

This is second payor coverage. *You* may have other in-force plans or contracts such as, but not limited to, third party liability, auto insurance, group or individual health insurance providing *hospital*, medical or therapeutic coverage. In this case, the amounts payable under this insurance are limited to that portion of *your* eligible expenses that are in excess of the amounts provided by those other in-force plans or contracts.

Total benefits paid to *you* by all insurers cannot exceed *your* actual expenses. We will coordinate the payment of benefits with all insurers who provide *you* with benefits similar to those provided under this insurance, (except if *your* current or former employer provides *you* with an extended health insurance plan with a lifetime maximum coverage of \$50,000 or less) to a maximum of the largest amount specified by any such insurer.

In addition, we have full rights of subrogation. In the event of a payment of a claim under this policy, we will have the right to proceed, in *your* name, but at *our* expense, against third parties who may be responsible for giving rise to a claim under this policy. *You* will execute and deliver such documents as are necessary and cooperate fully with *us* to allow *us* to fully assert *our* rights. *You* must do nothing to prejudice such rights.

If *you* are insured under more than one insurance policy underwritten by *us*, the total amount we pay to *you* cannot exceed *your* actual expenses; and the maximum *you* are entitled to is the largest amount specified for the benefit in any one policy. If the total amount of all accident insurance *you* have under policies issued by *us* is more than \$250,000, *our* aggregate liability will not exceed that amount, and any excess insurance will be void and the premiums paid for such excess insurance will be refunded.

In this case, we ask that *you* call as soon as *you* can or that someone call on *your* behalf. Do not assume that someone will contact the Assistance Centre for *you*. It is *your* responsibility to verify that the Assistance Centre has been contacted.

If *you* choose to pay eligible expenses directly to a health service provider without prior approval by the Assistance Centre, these services will be reimbursed to *you* on the basis of the *reasonable and customary*

Medical charges that *you* pay may be higher than this amount; therefore *you* will be responsible for any difference between the amount *you* paid and the *reasonable and customary* charges reimbursed by *us*. 2. If your body is not found within 12 months of the accident, we will presume that you died as a result of your injuries.

Who will we pay your benefits to if you have a claim?

Except in the case of your death, we will pay the covered expenses under this insurance to you or the provider of the service. Any sum payable for loss of life will be payable to your estate. You must repay us any amount paid or authorized by us on your behalf if we determine that the amount is not payable under your policy. All amounts shown throughout this contract are in Canadian dollars. If currency conversion is necessary, we will use our exchange rate on the date you received the service outlined in your claim. We will not pay for any interest under this insurance.

Is there anything else you should know if you have a claim?

If you disagree with our claim decision, the matter may be submitted for judicial resolution under the applicable law(s) of the Canadian province or territory where you reside at the time of application for this policy.

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act*, or in the *Limitations Act, 2002* in Ontario, or other applicable legislation.

For the purposes of determining the validity of a claim under this policy, we may obtain and review the medical records of the attending *physician(s)*, including the records of the regular *physician(s)* at home. These records may be used to determine the validity of a claim whether or not the contents of the medical records were made known to you before you incurred a claim under this policy. In addition, we have the right, and you shall afford us the opportunity, to have you medically examined when and as often as may reasonably be required while benefits are being claimed under this policy. If you die, we have the right to request an autopsy, if not prohibited by law.
