PLEASE NOTE: In the event that you are not covered under a government health insurance plan for the entire duration of your insured trip, reimbursement for Eligible Expenses incurred under this Emergency Medical Insurance will be limited to a maximum of \$25,000.

PERIOD OF COVERAGE

The period of coverage under this policy shall not exceed 12 consecutive months for any one insured trip.

The insured trip must originate and terminate in Canada.

This insurance must be purchased prior to departure from your province or territory of residence in Canada and for the complete duration of the insured trip.

THE DATE YOUR COVERAGE STARTS / YOUR EFFECTIVE DATE OF COVERAGE

Emergency medical coverage starts on your departure date.

THE DATE YOUR COVERAGE ENDS / YOUR COVERAGE EXPIRY DATE

Your coverage ends on the earlier of:

- the date you return home;* or
- the return date, as stated on your application.

*Your insurance coverage will not end if you temporarily return to Your Province or Territory of Residence

If you have requested and received prior approval from our Assistance Centre, you may return to your province or territory of residence to attend special events. Your medical coverage will not terminate but will be suspended for the duration of your temporary return. Your medical coverage will resume once you begin travel but, if you receive treatment in Canada for sickness or injury during your temporary return, then any treatment received on your return to your destination relating to the medical conditions previously treated in Canada will not be covered.

In all cases of such temporary returns, there will be no refund of premium for any of the days that you have returned to your province or territory of residence.

Automatic Extension

The company will extend your coverage automatically beyond the date you were scheduled to return home as per your application if:

- your common carrier is delayed. In this case, the company will extend your coverage for up to 72 hours; or

- you or your travel companion is in hospital on that date. In this case, the company will extend your coverage while in hospital and for up to 5 days after discharge from the hospital; or
- you or your travel companion has a medical condition that does not require admission to hospital but prevents travel. In this case, the company will extend your coverage for up to 5 days.

In all cases, the company will not extend any coverage beyond 12 months after your effective date of insurance.

What If I Stay Longer Than Planned?

Extensions: If you have not left home, simply call your distributor of Transat Travel Insurance to ask for the extension. If, however, you are already on your insured trip and need to apply for an extension of your coverage before the expiry date of your existing coverage, simply call your distributor of Transat Travel Insurance. You may be able to extend your coverage, up to a total trip duration of 17 days. If you have not had or expect to have a medical condition or claim since your policy was issued, the extension will be issued right away. Otherwise, the extension is subject to the approval of the Assistance Centre.

The Transat Quick Trip Emergency Medical Policy cannot be used to top up any other plan.

How Do I Get a Refund of Premium?

If you return home before the date you were scheduled to return home as per your application, and have not had a cause for a claim or started a claim, you may ask for a refund of the premium for the unused days purchased for your insured trip. Simply contact your distributor of Transat Travel Insurance to ask for the refund and provide proof of the date you actually returned home. Please note, all travellers insured under the same policy must return together to be eligible for a refund.

GENERAL LIMITATIONS ON COVERAGE

Applicable to all sections of the Policy

With respect to "Acts of Terrorism"

Where an *act of terrorism* directly or indirectly causes *you* a loss for which benefits would otherwise be payable in accordance with the terms and conditions of this *policy*, this insurance will provide coverage as follows:

- We will provide benefits to *you* for *your* eligible expenses, up to a maximum aggregate of \$35,000,000 (CDN) for each *act of terrorism* (up to two (2) acts of terrorism within a calendar year); and
- The benefits payable, as described directly above, are in excess of all other potential sources of recovery, including alternative or replacement travel options offered by airlines, tour operators, cruise lines and other *travel suppliers* and other insurance coverage (even where such other coverage is described as excess) and will only become available after *you* have exhausted all such other sources.

Any benefits payable pursuant to *our* **Emergency Medical Insurance** shall be subject to an overall maximum aggregate payable limit relating to all in-force travel policies issued by *us*, including this *policy*. If total claims otherwise payable for a type of coverage under all travel policies issued by *us*, resulting from one or more *acts of terrorism* occurring within an applicable time period, exceed this maximum aggregate payable limit, then the amount paid on each claim shall be reduced on a pro rata basis so that the total amount paid in respect of all such claims shall be the maximum aggregate payable limit.

If, in *our* judgment, the total of all payable claims under one or more *acts of terrorism* may exceed the applicable limits, *your* prorated claim may be paid after the end of the calendar year in which *you* qualify for benefits.

Applicable Law: This *policy* is governed by the laws and regulations of the Canadian province or territory where this *policy* was issued.

Misrepresentation: This *policy* is issued on the basis of information in *your application* or provided in connection with *your application*.

When completing the *application*, *your* answers must be complete and accurate. In the event of a claim, we will review *your* medical history. If any of *your* answers are found to be incomplete or inaccurate:

- *your coverage* will be void;
- which means *your claim* will not be paid.

You must be accurate and complete in *your* dealings with *us* at all times.

We will not pay a claim if *you*, any person insured under this *policy* or anyone acting on *your* behalf makes a fraudulent, false or exaggerated statement or claim.

In all other respects, the terms and provisions of this *policy* shall apply.

CLAIM PROVISIONS

Where the *company* has paid expenses or benefits to *you* or on *your* behalf under this *policy*, the *company* has the right to recover, at its own expense, those payments from any applicable source or any insurance *policy* or plan that provides the same benefits or recoveries. This *policy* also allows the *company* to receive, endorse and negotiate eligible payments from those parties on *your* behalf. When the *company* receives payment from any Canadian provincial or territorial *government health insurance plan*, any other insurer or any other source of recovery to the *company*, the respective payor is released from any further liability with respect to the claim.

Secondary Coverage: Coverage under this *policy* is secondary to all other sources of recovery. Any benefits payable under this *policy* are in excess of any other coverage *you* may have with any other insurer or any other source of recovery.

Coordination of Benefits: Benefit payments under this *policy* will be coordinated with benefits available to *you* under any other insurance *policy* or plan, so that payments made under this *policy* and any other *policy* or plan do not exceed **100%** of the eligible expenses incurred. Coordination of the Emergency Medical Insurance benefits will be in accordance with the Coordination of Benefits Guidelines issued by the Canadian Life and Health Insurance Association with respect to Out of Country/Province Medical Expenses.

However, if *you* are covered as an active or retired employee under *your* current or former employer's group health insurance plan for Extended Health Care benefits and the lifetime maximum amount is:

- a) \$50,000 or less, Coordination of Benefits will not apply to such amount; or
- b) more than \$50,000, Coordination of Benefits will apply only to the amount of insurance in excess of \$50,000.

Notice of Claim and Proof of Claim: To make a claim for benefits under this *policy*, *your* written proof of claim and *your* fully completed Travel Insurance claim form(s) must be submitted to *us* within 90 days after the event, but not more than 12 months after the date of such event or loss. More information on the documentation that must be submitted with *your* written proof of claim is provided below.

Written proof of claim shall include:

- i) the completion of any claim forms furnished by the *company*;
- ii) original receipts;
- iii) a written report, complete with the diagnosis by the attending *physician*, if applicable, and any other form of documentation deemed necessary by the *company* to validate *your* claim;
- iv) documentation required by the *company* to substantiate cancellation, interruption, travel delay or *common carrier* schedule change if for other than medical reasons. If death is the cause of the claim, an official document such as a death certificate that establishes cause of death will also be required;

Original substantiating claims documentation must be provided; however, the *company* may accept certified copies if the original documentation cannot be provided for a reasonable cause. Failure to provide applicable substantiation for a claim shall invalidate any claim under this *policy*. All documents required to support or validate the claim, including English or French translations of such documents, must be provided free of expense to the *company*.

Subrogation: If *you* suffer a loss caused by a third party, the *company* has the right to subrogate *your* rights of recovery against the third party for any benefits payable to or on *your* behalf and will, at its own expense and in *your* name, execute the necessary documents and take action against the third party to recover such payments. *You* must not take any action or execute any documents after the loss that will prejudice the *company's* rights to such recovery.
