Trip Disruption Insurance

Benefits - What does Trip Disruption Insurance (Delays, Schedule Change, Cancellations and Other Covered Events) cover?

Trip Disruption of *your insured trip* must result from any one of the **UNFORESEEN EVENTS** listed below occurring during the period of coverage:

Delays

1. If **weather conditions, earthquakes or volcanic eruptions** cause the scheduled *common carrier* on which *you* or *your travel companion* are booked to travel for any portion of *your insured travel arrangements* to be delayed for a period of at least **30%** of the *insured trip* duration, and *you* choose not to continue with the *insured travel arrangements*, *you* will be reimbursed:
 - a) the unused non-refundable prepaid portion of *your insured travel arrangements* (except the cost of prepaid unused transportation back to *your departure point*), published Transat service fees, published Transat cancellation fees and other administrative handling fees and service fees specifically indicated on *your application*;
 - b) the one-way economy class transportation via the most cost-effective itinerary back to *your departure point*.
2. If **weather conditions, earthquakes or volcanic eruptions** cause the scheduled *common carrier* on which *your travel companion* is booked to travel to be delayed for a period of at least **30%** of the *insured trip* duration, and *your travel companion* cancels their travel arrangements, *you* will be reimbursed for the extra cost of the next occupancy charge, if *you* elect to continue *your insured trip* as originally planned.
3. Provided *you* had left enough travel time to comply with the *travel supplier's* normal check-in procedure, if *you* miss a connection (at any point in *your insured travel arrangements*) or are required to interrupt *your insured travel arrangements* as a direct cause of the following events:
 - i) **delay** of the private automobile in which *you* or *your travel companion* are travelling, caused by mechanical failure of that automobile, weather conditions, earthquakes, volcanic eruptions or other natural disaster, unannounced strike, a traffic accident or emergency road closure by police; or
 - ii) **delay or cancellation** of *your* or *your travel companion's* connecting *common carrier*, such as a commercial airline, ferry, cruise ship, bus, limousine, taxi or train, caused by mechanical failure of that carrier, weather conditions, earthquakes, volcanic eruptions or other natural disaster, unannounced strike, a traffic accident or emergency road closure by police; or
 - iii) the loss or theft of *your* or *your travel companion's* passport or travel visa; or the loss or theft of *your* personal money during *your insured trip*; or
 - iv) *you* miss a connection because of the delay in clearing customs and security controls due to *your* or *your travel companion's* mistaken identity; or
 - v) *your* cruise ship is delayed or the itinerary is modified due to the *emergency medical condition* of another passenger;

you will be reimbursed for:

 - a) the non-refundable unused portion of *your* prepaid *insured travel arrangements*, excluding the cost of prepaid unused transportation back to *your departure point*;
 - b) the extra cost of a one-way economy class transportation, via the most cost-effective itinerary, to the next destination of *your insured trip*, inbound or outbound, including return to *your departure point*.

Common Carrier Schedule Change

Provided you had left enough travel time to comply with the *travel supplier's* normal check-in procedure, if you are prevented from travelling as shown on your *application* as a direct cause of the following events:

- i) You miss your next connecting *common carrier* because the *common carrier* that is providing transportation for a portion of your *insured trip* leaves later than originally scheduled as a result of a schedule change; or
- ii) The *common carrier* that is providing transportation for a portion of your *insured trip* leaves earlier than originally scheduled (as a result of a schedule change) and the ticket you have purchased for your prior connection via another *common carrier* becomes unusable; or
- iii) You miss your next connecting *common carrier* because the airline carrier with whom you have booked an earlier connecting flight (that is included in your prepaid *insured travel arrangements*) cancels such earlier flight; or
- iv) Your earlier connecting *common carrier* has been rendered unusable because the airline carrier with whom you have booked a subsequent connecting flight (that is included in your prepaid *insured travel arrangements*) cancelled the subsequent flight.

You will be reimbursed for your extra transportation cost via the most cost-effective itinerary to your next destination, inbound or outbound, including return to your *departure point*, being the lesser of:

- a) the change fee charged by the *common carrier* if this option is available or
- b) up to **\$1,000** for the extra cost of a one-way economy class transportation.

Cancellation of Connecting Airline Carrier

Alternatively to the benefit available under 'Common Carrier Schedule Change', in the event there is a cancellation of a flight by an airline carrier that is providing a portion of your *insured trip*, you will be reimbursed for the non-refundable prepaid airfare that is no longer useful for your *insured trip* up to a maximum of **\$1,000**.

Tour/Cruise Cancellation Benefit

If your *insured travel arrangements* include a Tour/Cruise and if such Tour/Cruise is cancelled for any reason other than *travel supplier* default and the cancellation occurs:

- a) **prior to your departure from your departure point.** you will be reimbursed for your non-refundable prepaid airfare and land arrangements (such as commercial accommodations, rental vehicle fees, commercial excursions) that were not part of your Tour/Cruise package up to a total of **\$1,500**.
- b) **after your departure from your departure point** but prior to the departure of the tour/cruise ship: you will be reimbursed up to **\$1,500** for the following:
 - the lesser of the change fee charged by the airline carrier(s) involved to return you to the *departure point* of your *insured trip* if such an option is available, or the extra cost of a one-way economy class fare; and
 - your non-refundable prepaid unused land arrangements (such as commercial accommodations, rental vehicle fees, commercial excursions) that were not part of your Tour/Cruise package.

Note: For this benefit to apply, the **sum insured** selected under your Trip Cancellation Insurance coverage must cover the full value of the prepaid non-refundable cost of the cruise (or tour as applicable), the airfare and the land arrangements.

However, if you are covered as an active or retired employee under your current or former employer's group health insurance plan for Extended Health Care benefits and the lifetime maximum amount is:

- a) \$50,000 or less, Coordination of Benefits will not apply to such amount; or
- b) more than \$50,000, Coordination of Benefits will apply only to the amount of insurance in excess of \$50,000.

Notice of Claim and Proof of Claim: To make a claim for benefits under this *policy*, your written proof of claim and your fully completed Travel Insurance claim form(s) must be submitted to us within 90 days after the event, but not more than 12 months after the date of such event or loss. More information on the documentation that must be submitted with your written proof of claim is provided below.

Written proof of claim shall include:

- i) the completion of any claim forms furnished by the *company*;
- ii) original receipts;
- iii) a written report, complete with the diagnosis by the attending physician, if applicable, and any other form of documentation deemed necessary by the *company* to validate your claim;
- iv) documentation required by the *company* to substantiate cancellation, interruption, travel delay or common carrier schedule change if for other than medical reasons. If death is the cause of the claim, an official document such as a death certificate that establishes cause of death will also be required;

For example:

- copy of the subpoena if cancelling due to jury duty or being called as witness;
- letter from your employer if cancelling due to a business meeting or job transfer;
- letter from the airline confirming the change in the scheduled flight or the cause of the flight delay.

Original substantiating claims documentation must be provided; however, the *company* may accept certified copies if the original documentation cannot be provided for a reasonable cause. Failure to provide applicable substantiation for a claim shall invalidate any claim under this *policy*. All documents required to support or validate the claim, including English or French translations of such documents, must be provided free of expense to the *company*.
