

# Your Group Retirement secure sponsor site — *but better!*

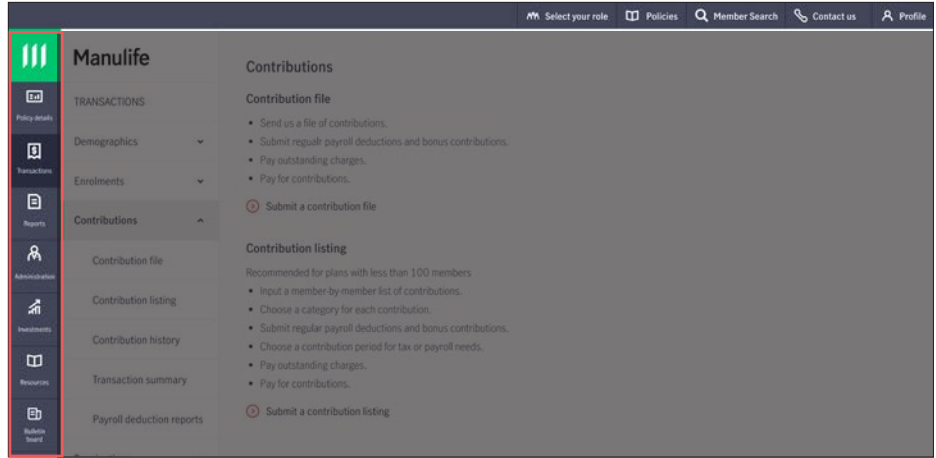

## Easy access to the information and actions you need

You said you needed a better way to find what you're looking for, and we heard you.

So, we redesigned it—with the guidance and input of many of our plan sponsors. Now, when you sign in, you'll see a new policy details page with a bolder view of your plan highlights, all your main plan contacts, news about our features and services, and streamlined navigation options.

The screenshot shows a user interface for the Manulife Group RRSP for the Employees of ABC Company. The page features a top navigation bar with options like 'Select your role', 'Policies', 'Member Search', 'Contact us', and 'Profile'. A left sidebar contains navigation icons for Policy details, Transactions, Reports, Administration, Investments, Resources, and Bulletin board. The main content area is titled 'The Group RRSP for the Employees of ABC Company' and includes a sub-header 'ABC Company' and a policy identifier 'Policy 12345678 - Plan Level Summary - RRSPP'. Two donut charts are displayed: 'Assets' showing total assets of \$15,567,987.10 (15M) broken down into Sponsor required (\$6,695,628.01), Member required (\$5,297,989.03), and Member voluntary (\$3,574,370.06); and 'Member count' showing 613 total members, consisting of 600 Active, 5 Inactive, and 8 Terminated members. Below the charts are sections for 'Plan info', 'Your plan administrator', and 'Your plan advisor', each containing contact details like mailing address, email, and phone number. A dark blue banner on the right side of the dashboard reads 'New look. Easier navigation.' with a location pin icon and a dropdown arrow.

On the left-hand side, your main navigation offers fewer, simpler categories

Here are the main categories and what you can do in each.

### Transactions

Perform your most-used functions like enrolling members, submitting contributions, terminations, and sending us a file

### Investments

Review everything to do with your plan's investments, including account values, unit values, and more

### Administration

See plan details, manage plan access, and get invoices and statements

### Resources

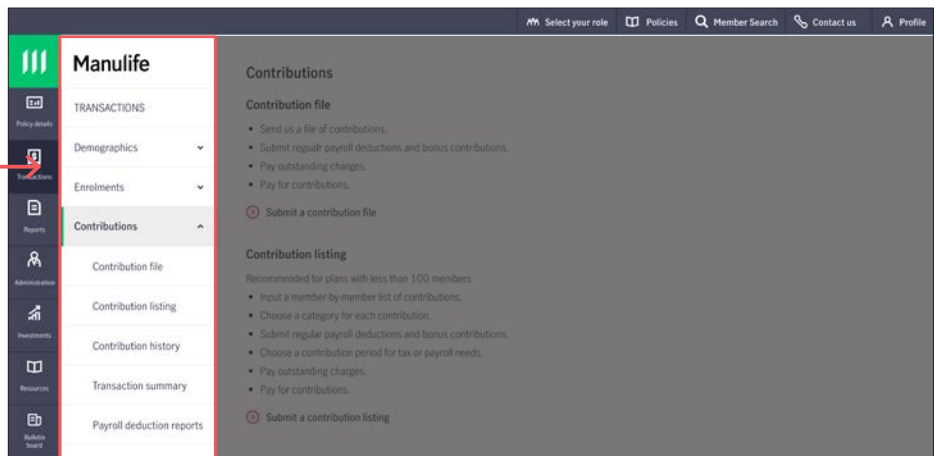

Find forms, governance guidelines, service reports, and ideas to educate your members and get them engaged in your program

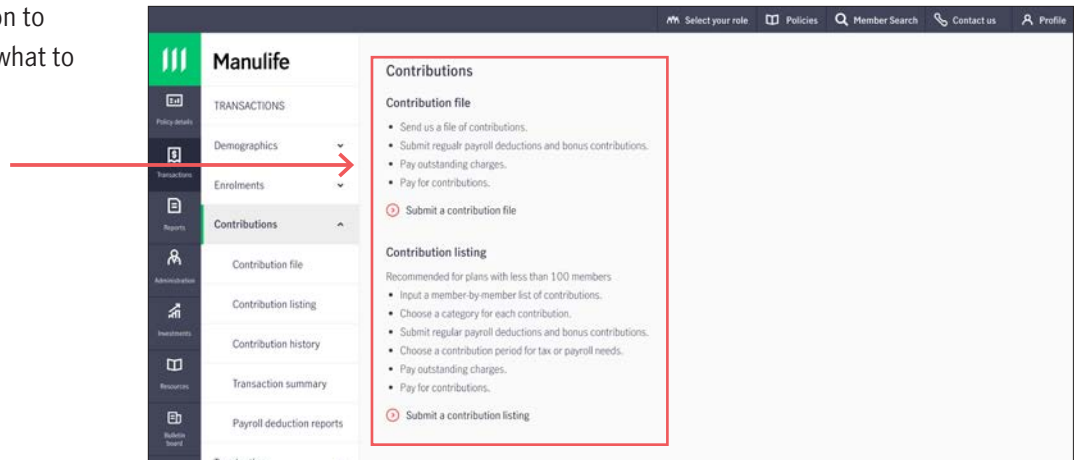

### Reports

Get standard or custom reports and check out your interactive dashboards

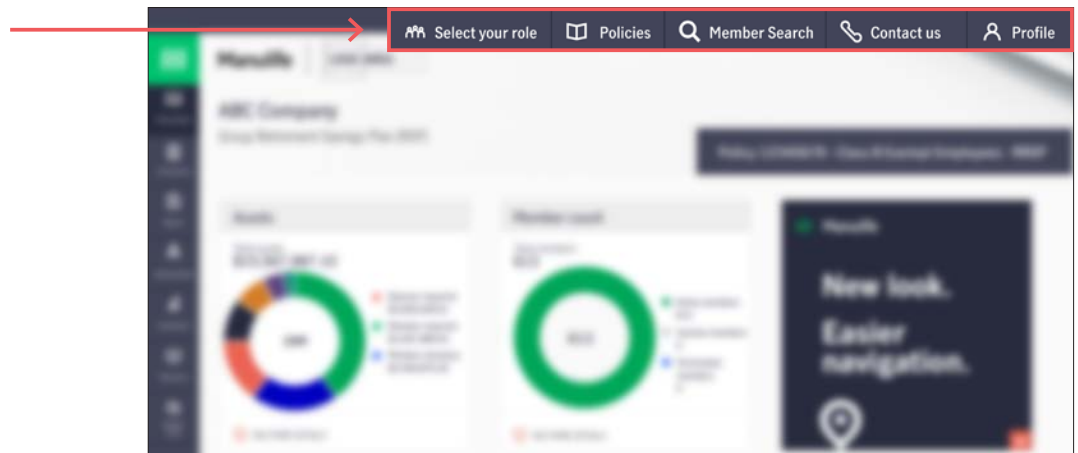

The drop downs make it easy to find what you're looking for.

And, we've also added a description to each feature so you know exactly what to expect from it.

The new top navigation bar gives you quick access to popular features, including an easy member search.

And because we know you're not always at your desk, the pages are now responsive to work on your desktop and your mobile device.

Enjoy your new experience — sign in today and check it out!

**If you have any questions, please contact your Manulife representative.**
