IMPORTANT NOTICE – READ CAREFULLY BEFORE YOU TRAVEL

You have purchased a travel insurance policy - what's next? We want you to understand - and it is in your best interest to know - what your policy includes, what it excludes, and what is limited, meaning payable but with limits. Please take time to read through your policy before you travel. Italicized terms are defined in your policy.

- Travel insurance covers claims arising from sudden and unexpected situations (i.e., accidents and emergencies) and typically not follow-up or recurrent care.
- To qualify for this insurance, you must meet all the eligibility requirements.
- This insurance contains limitations and exclusions (i.e., medical conditions that are not stable, pregnancy, child born on trip, excessive use of alcohol, high risk activities).
- This insurance may not cover claims related to pre-existing medical conditions, whether disclosed or not at time of policy purchase.
- Contact the Assistance Centre before seeking treatment or your benefits may be limited.
- In the event of a claim, your prior medical history may be reviewed.
- If you have been asked to complete a medical questionnaire and any of your answers are not accurate or complete, your policy will be voidable.

It is your responsibility to understand your coverage. For coverage information or general inquiries, contact your travel agent or broker or Manulife Customer Service at 1-800-565-2338. You can also send an email to travel@manulife.ca.

Collect, where available: +1(519) 945-8346

You can also contact the Assistance Centre with the TravelAid mobile app. Download the app through the Google Play store or the Apple App Store. For more information, visit active-care.ca.

In this case, contact the Assistance Centre as soon as possible or have someone call on your behalf.

If you choose to pay for expenses before you contact the Assistance Centre, we reimburse you according to *reasonable and customary* charges that we would have paid directly to the provider. Medical charges you pay may be higher than this amount and you are responsible for the difference between the amount you paid and what we reimburse. Some benefits are not covered unless they are pre-approved and pre-arranged by the Assistance Centre.

DEFAULT SUPPLIER PROTECTION COVERAGE

This benefit provides coverage when your *travel supplier* ceases operations due to bankruptcy or insolvency and you do not receive the services you contracted the *travel supplier* to provide.

To use this benefit, the *travel supplier* must substantially or completely discontinue their business.

Important:

- We do not cover any losses that arise when an agent, travel agency or broker experiences bankruptcy, insolvency, receivership, or seeks protection thereof.
- Additionally, we do not cover losses from a foreign *travel supplier*, unless the *travel services* are part of an inclusive package. An inclusive package means a travel itinerary which would include transportation, accommodation, and possibly meals, packaged together for one price.

You may submit a claim for *Default Supplier Protection Coverage* when all of the following scenarios apply:

- You entered into a contract for *travel services* with a *travel supplier* who is in good standing. Good standing means that at the time you booked your *travel arrangements*, and before you purchased the insurance, the *travel supplier* was not bankrupt, insolvent, in receivership, or seeking protection from creditors under bankruptcy, insolvency, or any similar legislation.

- You do not receive part or all of your pre-paid *travel arrangements*.
- You have already exhausted all options to recover the costs of the undelivered *travel services*. This means you must first seek compensation from the *travel supplier*, any government or other compensation fund, your credit card company, or a source that is legally responsible or under contract to reimburse you before you submit your claim to us.

BENEFITS

If the *default* happens before your *departure date*, we reimburse you for the pre-paid, non-refundable *travel services* in the *Trip Cancellation* coverage you purchased for your *trip*, up to the [Limits and maximums](#) outlined in this policy.

If a *travel supplier* cancels any portion of your *trip* that was booked with them and offers you or gives you a travel credit or voucher as reimbursement for the unused portion of your insured *travel arrangement*, we consider you as reimbursed for that *travel arrangement*.

We will not pay any claims for a *travel arrangement* when:

- You receive a travel credit or voucher for the full value of the insured *travel arrangement* with the *travel supplier*; or

WHO WE PAY BENEFITS TO IF YOU HAVE A CLAIM

We pay *reasonable and customary* covered expenses to you or to the service provider, minus any applicable deductibles.

We pay loss of life benefits to your estate.

If we determine that an expense is not eligible under your policy, you must repay any amount we paid or that you authorized us to pay on your behalf.

All amounts in this policy are shown in Canadian dollars. When we convert currency, we use our exchange rate on the date of service shown on your receipt. We do not pay any interest.

OTHER INFORMATION YOU SHOULD KNOW IF YOU HAVE A CLAIM

You may disagree with our claim decision and contest our decision in court under the laws of the Canadian province or territory where you live at the time you applied for this policy. Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act, or in the Limitations Act, 2002 in Ontario, or other applicable legislation.

WHAT ELSE YOU NEED TO KNOW

GENERAL CONDITIONS

This insurance is void if, at any time during the application process or during your coverage, you, anyone who acts on your behalf, or anyone insured under this policy:

- Commits fraud or attempted fraud
- Attempts to deceive us in any way
- Conceals or misrepresents any material facts or circumstances
- Provides incomplete or inaccurate information

When we process your claims, we may review your medical history. If any information is incomplete or inaccurate, your coverage is void and we do not pay your claims.

This policy is non-participating and does not entitle you to share in our divisible surplus.

We restrict the right of anyone to designate persons to whom or for whose benefit insurance money is payable.

This policy is governed by and construed according to the laws of your province or territory of residence.

Despite any other provision contained in the contract, this contract is subject to applicable statutory conditions in the Insurance Act, applicable in your province or territory of residence, respecting contracts of accident and *sickness* insurance.

LIMITATION OF LIABILITY

Our liability under this policy is limited solely to the payment of eligible benefits, up to the maximum amount purchased, for any loss or expense. Neither we, upon making payment under this policy, nor our agents or administrators assume any responsibility for the availability, quality, results or outcome of any *treatment* or service, or your failure to obtain any *treatment* or service covered under the terms of this policy.

The participation of the insurers is several and not joint and none of them will, under any circumstances, participate in the interest and liabilities of any of the others.

PREMIUM

You must pay the premium when you purchase this insurance, according to the rates in effect at that time. Premiums and policy terms and conditions are subject to change without notice.

You enter into a binding contract with us when:

- You meet all eligibility requirements; and
- Pay the required premium; and
- Receive a *confirmation* with a contract policy number.

If, at any time, we determine that you are not eligible for coverage, we will refund your premiums only. No other refunds are eligible. You are responsible for any expenses not paid by us.

If the premium you pay does not cover the cost for the period of coverage you choose:

- We charge you and collect any underpayment; or
- We shorten the policy period when a premium cannot be collected. We will advise you of the shortened period in writing.

Your coverage is null and void when any of the following happens:

- We don't receive premium payment
- Your cheque is not honoured
- Credit card charges are invalid
- There is no proof of your payment

HOW THIS INSURANCE WORKS WITH OTHER COVERAGES YOU HAVE

This is a second payor policy. The total benefits you receive from all insurers may not exceed the actual expenses. We consider claims for amounts that are greater than what you are covered for under any other policies, including but not limited to the following:

- Third-party liability
- Group or individual, basic, or extended health insurance plans or contracts
- Private, provincial, or territorial auto insurance plans that cover *hospital*, medical, or therapeutic expenses
- Any other third-party liability insurance

We coordinate benefits payments with all insurers who provide you benefits similar to the ones provided in this policy, to a maximum of the highest amount specified by any insurer.

Exception: If your current or former employer provides an extended health insurance plan with a lifetime maximum of \$50,000 or less, we do not coordinate payment.

If you are insured under more than 1 policy or certificate underwritten by us, the maximum we pay is the highest amount for the benefit in any 1 policy or certificate.

SUBROGATION

We have full rights of subrogation. If we pay a claim under this policy, we have the right to proceed against any third parties who may be responsible for giving rise to a claim under this policy. We may proceed in your name at our expense. You agree to provide any documents we need and to fully cooperate with us to assert our rights. You agree that you will not do anything to prejudice our rights.

STATUTORY CONDITIONS

COPY OF APPLICATION

Upon request, a copy of the application shall be given to you or to a claimant under the contract.

WAIVER

We reserve the right to decline any application or any request for extensions of coverage. No condition of this policy shall be deemed to have been waived, either in whole or in part, unless the waiver is clearly expressed in writing and signed by Manulife.

MATERIAL FACTS

No statement made by you at the time of application for this contract shall be used in defence of a claim under or to avoid this contract unless it is contained in the application, or any other written statements or answers furnished as evidence of insurability.

TERMINATION BY INSURER

We may terminate this contract in whole or in part at any time by giving written notice of termination to you and by refunding, concurrently with the giving of notice, the amount of premium paid in excess of the proportional premium for the expired time. The notice of termination may be delivered to you, or it may be sent by registered mail to your latest address on record. Where notice of termination is delivered to you, 5 days notice of termination will be given; where it is mailed to you, 10 days notice will be given, and the 10 days will begin on the day following the date of mailing of the notice.

RIGHTS OF EXAMINATION

For the purposes of determining the validity of a claim under this policy, we may obtain and review the medical records of your attending *physician(s)*, including the records of your regular *physician(s)* at *home*. These records may be used to determine the validity of a claim, whether or not the contents of the medical records were made known to you before you incurred a claim under this policy. In addition, we have the right, and you shall afford us the opportunity, to have you medically examined when and as often as may reasonably be required while benefits are being claimed under this policy. If you die, we have the right to request an autopsy, if not prohibited by law.
